

2018 Cultiva Youth Project Request for Transportation Risk and Release

* Authorization and Request for Transportation of Student in Privately Owned Vehicle

I request and authorize my child/ward's transportation from Cultiva Youth Project Farm to glean and/or outreach events and return to Cultiva Youth Project Farm.

I authorize and request that my child or ward be transported in a privately-owned vehicle, and acknowledge and understand that Growing Gardens, its employees, agents and representatives, hereafter referred to as Growing Gardens, has not determined or verified the qualifications, safe driving history or insurance coverage of the volunteer driver(s), or undertaken any inspection of the vehicle to determine its condition, mechanical or otherwise.

I further acknowledge and understand that Growing Gardens has made no representation concerning the qualifications, driving history or insurance coverage of the volunteer driver(s), or the condition of the vehicle.

I further acknowledge and understand that by requesting that my child or ward be transported in a privately owned vehicle, I release Growing Gardens from any duty to control or supervise or protect my child or ward, until he/she is returned to the appropriate staff member.

I further acknowledge, on my own behalf and on behalf of my child or ward, that there are many risks inherent to motor vehicle transportation, including the risk of collisions and malfunctions which can result in serious bodily injury or death. Notwithstanding such risks, I hereby release Growing Gardens from any liability for injury or loss, including but not limited to, medical expenses, disability, disfigurement, lost wages, diminished earning capacity, mental anguish and emotional distress arising from the transportation of my child or ward in a privately owned vehicle, including but not limited to, injury caused by negligent acts by Growing Gardens and/or third persons, intentional acts of third persons, roadway conditions or hazards, supervision, student misconduct, and disregard of generally recognized safety precautions.

I further acknowledge having instructed my child or ward in the proper use of the vehicle's occupant crash protection system provided by the vehicle manufacturer and have designated a seating position for my child or ward within the vehicle.

I further release Growing Gardens from any duty to oversee, or control the manner in which the volunteer driver(s) operate the motor vehicle.

I have read and fully understand the content of this authorization and release from liability form.
