

Job Announcement Administrative Assistant

Over the last 20 years, Growing Gardens has brought gardening, nutrition education and produce donations to over 162,000 Boulder County residents.

We offer a variety of programs to get people of all ages, backgrounds, income levels, and abilities involved in growing and cooking their own food. These educational opportunities are paired with seed, plant start, and produce donations, as well as gardening space, to impart greater food security and hunger relief in our community.

The Growing Gardens Administrative Assistant plays an important role in supporting various aspects of our programs on a daily basis and helps to streamline organizational efficiency through ongoing administrative tasks. This role provides a unique opportunity for the right person to bring their organizational and administrative skills together to serve our community in a fun, dynamic environment.
