

Summer Marketing and Development Internship May 13th – August 16th, 2019

Over the last 20 years, Growing Gardens has brought gardening, nutrition education and produce donations to over 162,000 Boulder County residents.

We offer a variety of programs to get people of all ages, backgrounds, income levels, and abilities involved in growing and cooking their own food. These educational opportunities are paired with seed, plant start, and produce donations, as well as gardening space, to impart greater food security and hunger relief in our community.

The Marketing & Development Intern is a community ambassador for the organization through social media content curation, assisting with marketing campaigns, special events and outreach. This intern will gain insight into managing marketing activities across mediums for various programs and events, and is relative for non-profit, social enterprise and for-profit careers.

The internship provides the opportunity to develop your marketing experience and build your portfolio. While deeply rewarding, this is fast paced internship and requires hard work, focus, and creativity.
